Welcome

UP-CYCLING AND ONLINE SALE

20 - 30 June 2020
Firiteaz, Arad, Romania

Thank you for joining an activity that is building a better present. By joining this project, you are becoming part of a community that aims to bring harmony within all living things. Together, we are creating a world based on well-being of all beings living in harmony with nature and close to the inner beauty.

Natural Way Association is a very young organisation that's inspired from models of Eco Villages all over the world. Its members travelled and lived in different eco villages, with inspiration coming a lot from the Auroville in India:

Some samples for accommodation

Concept

Our aim is to facilitate access for 45 young people from different countries to a different style of living and interaction with technology. Some of the methods will be facilitated by experts, some sessions will be facilitated by you.

We are expecting to learn one from another. We will share experiences and methods and you will experience different concepts in order to transfer it to your local community.

Programme

The programme will include sessions about: The 4 R's - refuse, reduce, reuse, recycle; Campaign about zero waste; Practical workshop on up-cycling materials from plastic, wood, glass, metal; Presentation of online platforms: WordPress, Shopify and Amazon; wellbeing; Personal and professional action plan and others. Each national group will be invited to share examples and experience from their national reality.

People

We will continue discovering who's who in this project, when we meet. We will be 45 persons from Cyprus, Estonia, Italy, Lithuania, Romania, and Spain. Each country will send 6 young people with ages from 15 - 25 years old and 1 group leader. We are three persons in the project team. The team is made from us, various young people and youth leaders interested in living a healthy life and in harmony with the nature. Before applying, please consider the principles in this image, they are the basis of the Eco-Village Firiteaz.

Respect for any being
Inner and outer harmony
Reuse and recycling
Veganism, non-smoking and non-alcohol

Food

As mentioned before, the organisers will ensure three meals per day and two breaks. Please note that all the food for the entire stay there is 100% VEGAN and non-processed food. We do not eat any processed food in the community: white pasta, white bread, white sugar, pre-packaged snacks, sodas, pre-packaged juices. The team will ensure that your menu will be diverse and balanced. Alcohol consumption and smoking will be strictly prohibited during the entire stage.
