

EVANGELICAL CHARITY SERVICE – HOME FOR THE ELDERLY AND DISABLED

Introduction of the hosting institution

The Sztéhlo Gábor Evangelical Charity Service is operating in district II. of Hungary's capital city, Budapest. The service provides home to about 100 elderly persons and 100 disabled adults in 6 different locations within a radius of 1 km.

The Charity Service has a dedicated team of social workers, healthcare professionals, deacons, educators and therapists. This team of multiple professions provides for a structured and organized everyday operation.

WHY JOIN THE PROJECT?

- Experience at first hand what it feels like **to help those in need**.
- Gain valuable experience in the field of **social work**.
- Be part of a **supportive and inspiring** community.
- Contribute to the work of a highly beneficial **public foundation**.
- **Grow your perspective and personality** by living and working in a foreign country.

ACTIVITIES

The institution's schedule includes individual therapy and group activities such as film club, art therapy or bible study. Physical exercise and daily walks in the garden are also part of the life in the home. Occasionally, they organize outdoor activities, for example excursions or visits to museums. As a Christian organization, the daily routine includes devotion and prayer.

DAILY WORK INVOLVEMENT OF THE VOLUNTEER

Volunteers will be members of the socio-therapy workgroup. Their tasks will include:

- Assistance in group activities
- Daily walking with residents
- Helping in organizing events, celebrations

Own initiatives of the volunteers are also welcome, as long as they can be fit into the activities of the institution.

TISZTA FORRÁS FOUNDATION MISSION FOR THE HOMELESS

Introduction of the hosting institution

The Tiszta Forrás Foundation was established in 1992 by individuals who had overcome their alcohol problems. Initially, the foundation helped those struggling with alcohol problems but later expanded its activities. In 1997, it opened a night shelter and day shelter for addicts and the homeless. The foundation was declared a highly beneficial public foundation in 2000, and since then, it has operated with a dedicated team, including social workers, mental health professionals, pastors, doctors, and many volunteers.

WHY JOIN THE PROJECT?

- Experience at first hand what it feels like **to help those in need**.
- Gain valuable experience in the field of **social work**.
- Be part of a **supportive and inspiring** community.
- Contribute to the work of a highly beneficial **public foundation**.
- **Grow your perspective and personality** by living and working in a foreign country.

ACTIVITIES

At the daytime shelter, the institution provides food and drinks to the homeless, offer „home” services, such as use of a bathroom or washing clothes. They operate a night shelter, where they host 35 men. The shelter hosts multiple activities, such as club for alcoholics, garden outings, celebration of holidays.

DAILY WORK INVOLVEMENT OF THE VOLUNTEER

- Welcome newcomers and offer them food and drink.
- Organize and hand out donations
- Hand out items and assist with services like washing and using the shower.
- Assist with other activities, such as street work, groups activities, events.
- Administrative support.
